OLDS ELKS PLAY HERE THURSDAY NIGHT AT 8:30

Playing their fifth game in 12 days, Didsbury Ramblers bowed 6-4 to Olds at the northern town Monday night. A mediocre crowd watched the home team go ahead 3-0 by the end of the first and were leading 4-1 when the sandwich session was over. Coming out in the third Ramblers turned on the steam and brought the count to 5-4 only to have Elks push in the insurance during the last period.

Playing a return match here on New Year's Day the Ramblers came from behind an early lead to nose out the visitors 6-5.

"They're Off And Running"

And the pack as usual is being led by that Willy Old Fox "BALDY BILL" COWAN. "Foxy Bill" really has his HOUNDS in top form and it looks like the SWEET SCENT is coming from the top of the League and our RAMBLERS are out to have a good "WHIFF" of it and hold on for the "kill" in the playoffs. So heads up boys and we WILL be seeing you in the FINALS. "Milky" Wilkins is so excited over the way the RAMBLERS are going (and the Milky Way taking up a lot of his time) that he could not give me the league standing but promised it for the next issue.

SCHOOL DISTRICT ELECTORS URGED TO VOTE ON JAN. 9th

To the electors of Sub-Division No. 4 in the Olds School Division.

Having allowed my name to stand in opposition to Mr. R.L. Balderson for the position of school trustee for this area, I take this means for soliciting Your Vote for myself at the polls on January 9th. If elected to the Board I shall at all times endeavor to give fair and equitable treatment to each District in the sub-Division regardless of location but based wholly upon the needs which exist or will exist in the future.

I shall at all times be willing to receive the opinions of local school boards, groups, organizations or individuals with the respect and consideration which it is their right to expect from any public servant, particularly to one in whom they have placed the management of affairs which is their personal and immediate concern as is the management of their own local schools.

I cannot promise to do everything that some might wish to have done for their schools but shall to the best of my abilities provide that which is essential and which is just and reasonable to expect. I would urge upon each voter that he accept that responsibility which is his and get out and vote on Jan 9th for the candidate of his choice whether it be for myself or Mr. Balderson. No phase of government is more important to us than that which concerns the education of our children, whether it be provincial Government administration on a province-wide basis or administration by your own Divisional Board on local matters. I quote "Vote as you please but Vote".

In conclusion let me try to clarify any confusion which might exist to the qualifications of a voter. Any Canadian citizen the full age of 21 years residing upon a piece of property upon which taxes are being paid and a resident of the Sub. Division for 30 days.

Ellis Turner.

CARD OF THANKS

I would like to thank all friends and neighbors who helped with the fire at our farm on Christmas Eve.
